### Sunday Sermons

#### **2/24, TODAY, 11:00AM – “Jim Crow Detroit”**

Jamon Jordan, Guest Speaker

Segregation, sharecropping, lynching, and the intense racism of the Jim Crow South, led to the Great Migration. Detroit would be a major destination for African Americans leaving the south. Jamon Jordan will speak on this era in which African Americans created and became a part of the historic communities of Black Bottom and Paradise Valley, where they founded churches, schools, civic institutions, as well as 350 Black-owned businesses. And learn how it was destroyed by local, state and federal policies of urban renewal and interstate highways. His talk will take us right up to the Civil Rights and Black Power Movements of the 1950s and 60s.

#### **3/3 11:00AM – “Wonder Woman”**

Rev. Dr. Stephen Butler Murray, Minister

One of the most beloved characters of the DC comics' universe is Wonder Woman, an Amazon who comes to the "world of men" as both savior and hero. In 2017, the movie *Wonder Woman* threw wide open the door to women as the leading heroic figure in fantasy movies.

**DESSA COSMA SHARES THE FOLLOWING:** With the xenophobia that literally shut down our government the last five weeks, we must be clear that we are *not* onboard. One way to do that is through a yard or window sign supporting our neighbors from other countries. You can get a *free* sign that says in English, Spanish and Arabic "No Matter Where You are From, We're Glad You're our Neighbor." Our very own, Rep. Chang has lots of these signs to give away. You can pick them up at her Service Center (1927 Rosa Parks Blvd, Detroit, MI 48216) Monday through Friday, between 9:00AM and 5:00PM. If it's not possible for you to get there, let me know and I can help by bringing one to church. Contact me at [desa.cosma@1stuu.org](mailto:desa.cosma@1stuu.org).

**\*POEMS:** All of today's writings are taken from *Medicine: New and Selected Poems* by Aneb Kgositsile, also known as Dr. Gloria House. Dr. House is an accomplished educator, cultural worker, social justice activist, writer, Mother and community warrior. She was selected this year to receive the Kresge Foundation's Eminent Artist Award.
