Sunday Sermons

5/26, TODAY, 11:00AM – “On Service and Memory”

Rev. Dr. Stephen Butler Murray, Minister

This weekend is Memorial Day Weekend, the traditional entry point to the summer vacation season in the United States, but far more importantly, our federal holiday for remembering and honoring persons who have died while serving in the United States Armed Forces. Today, we will explore what service to this country means, both in the military and otherwise, and how we might honor all of those who have served our country.

6/2 11:00am – “On Democracy”

Rev. Dr. Stephen Butler Murray, Minister

Unitarian Universalists place a high value on democracy, both in political process and in its own considerations. On this day, when in our church we hold an election for our next class of church officers, it is important to consider why this process is important and how representative government is essential to our understanding of ourselves and our society.
