Mother Spirit, Father Spirit #8

Words by Nortbert Capek

(Lyrics reprinted with permission of the UUA)

1 Mother Spirit, Father Spirit, where are you? In the sky song,
in the forest, sounds your cry. What to give you, what to call
you, what am I?

2 Many drops are in the ocean, deep and wide. Sunlight
bounces off the ripples to the sky. What to give you, what to call
you, who am I?

3 I am empty, time flies from me; what is time? Dreams eternal,
fears infernal haunt my heart. What to give you, what to call
you, O, my God?

4 Mother Spirit, Father Spirit, take our hearts. Take our breath
and let our voices sing our parts. Take our hands and let us
work to shape our art.

There Is More Love Somewhere #95

African-American Hymn

1 There is more love somewhere. There is more love
somewhere. I'm gonna keep on 'til I find it. There is more love
somewhere.

2 There is more hope somewhere. There is more hope
somewhere. I'm gonna keep on 'til I find it. There is more hope
somewhere.

3 There is more peace somewhere. There is more peace
somewhere. I'm gonna keep on 'til I find it. There is more peace
somewhere.

4 There is more joy somewhere. There is more joy somewhere.
I'm gonna keep on 'til I find it. There is more joy somewhere.

Gonna Lay Down My Sword and Shield #162

African American Spiritual

1 Gonna lay down my sword and shield, down by the riverside, down
by the riverside, down by the riverside. Gonna lay down my sword and
shield, down by the riverside, gonna study war no more.

(Chorus) I ain't gonna study war no more, I ain't gonna study war no
more, ain't gonna study war no more. I ain't gonna study war no more,
I ain't gonna study war no more, ain't gonna study war no more.

2 Gonna lay down my burden, down by the riverside, down by the
riverside, down by the riverside. Gonna lay down my burden, down by
the riverside, gonna study war no more. (Chorus)

3 Gonna shake hands around the world, ev'rywhere I roam, ev'rywhere
I roam, ev'rywhere I roam. Gonna shake hands around the world,
ev'rywhere I roam, gonna study war no more. (Chorus)

Reading: #466 Religion

Let religion be to us life and joy.

*Let it be a voice of renewing challenge to the best we have and
may be; let it be a call to generous action.*

Let religion be to us a dissatisfaction with things that are, which bids us
serve more eagerly the true and right.

*Let it be the sorrow that opens for us the way of sympathy,
understanding, and service to suffering humanity.*

Let religion be to us the wonder and lure of that which is only partly
known and understood.

*An eye that glories in nature's majesty and beauty, and a heart
that rejoices in deeds of kindness and of courage.*

Let religion be to us security and serenity because of its truth and
beauty, and because of the enduring worth and power of the loyalties
which it engenders.

*Let it be to us hope and purpose, and a discovery of
opportunities to express our best through daily tasks.*

Religion, uniting us with all that is admirable in human beings
everywhere.

*Holding before our eyes a prospect of the better life for
humankind, which each may help to make actual.*
