There's a River Flowin' in My Soul #1007

words & music by Rose Sanders

1. There's a river flowin' in my soul.
There's a river flowin' in my soul.
And it's telling me that I'm somebody
There's a river flowin' in my soul.

2. There's a river flowin' in my heart...

3. There's a river flowin' in my mind...

Ending:

There's a river flowin', There's a river flowin'
There's a river flowin' in my soul.

#1028 The Fire of Commitment

words by Mary Katherine Morn and Jason Shelton

music by Jason Shelton

1. From the light of days remembered burns a beacon bright and
clear Guiding hands and hearts and spirits Into faith set free from
fear.

Chorus: When the fire of commitment sets our mind and soul a blaze
When our hunger and our passion meet to call us on our way When
we live with deep assurance of the flame that burns within, Then our
promise finds fulfillment and our future can begin.

2. From the stories of our living rings a song both brave and free,
Calling pilgrims still to witness to the life of liberty.

3. From the dreams of youthful vision comes a new, prophetic voice,
Which demands a deeper justice built by our courageous choice

Turn the World Around #1074

words & music by Harry Belafonte and Robert Freeman

1. We come from the fire, living in the fire,
go back to the fire, turn the world around
Whoa- oh- oh, so is life. Ah-ah-ah so is life!
Whoa- oh- oh, so is life. Ah-ah-ah so is life!

2. We come from the water.....

3. We come from the city....

Closing Hymn: Blowin' in the Wind

Bob Dylan

1. How many roads must a man walk-- down before—you call him a
man? Yes, 'n How many seas must a white dove cross before she
sleeps in the sand? Yes, 'n How many times must the cannon balls fly,
before they are forever banned? The answer, my friend, is blowin' in
the wind. The answer is blowin' in the wind

2. How many times must a man look—up, before he can see the—
sky? Yes, 'n How many ears must one man—have, before he can hear
people cry? Yes, 'n How many deaths will it take 'till he knows that too
many people have died? The answer, my friend, is blowin' in the wind.
The answer is blowin' in the wind

3. How many years can a mountain exist, before—it's washed to the
sea? Yes, 'n How many years can some people exist, before they're
allowed to be free? Yes, 'n How many times can a man turn his head,
pretending he just doesn't see? The answer, my friend, is blowin' in the
wind. The answer is blowin' in the wind

Reading: #583 ***The Young Dead Soldiers***

The young dead soldiers do not speak.

__Nevertheless, they are heard in the still houses: who has not heard
them?

They have a silence that speaks for them at night and when the clock
counts.

__They say: We were young. We have died. Remember us.

They say: We have done what we could but until it is finished it is not
done.

__They say: We have given our lives but until it is finished no one can
know what our lives gave.

They say: Our deaths are not ours; they are yours; they will mean what
you make them.

__They say: Whether our lives and our deaths were for peace and a
new hope or for nothing we cannot say; it is you who must say this.

They say: We leave you our deaths. Give them their meaning.

__We were young, they say. We have died. Remember us.

~Archibald MacLeish
