

### ***What a Wonderful World***

George David Weiss and Bob Thiele

I see trees of green, red roses too,  
I see them bloom for me and you,  
and I think to myself "what a wonderful world."

I see skies of blue and clouds of white,  
the bright--- blessed day, the dark-- sacred night  
and I think to myself "what a wonderful world."

The colors of the rainbow, so pretty in the sky  
are also on the faces of people goin' by.  
I see friends shakin' hands, sayin' "How do you do?"  
They're really sayin' "I love you!"

I hear babies cry, I watch them grown  
They'll learn much more, than I'll ever know  
and I think to myself "what a wonderful world."  
Yes, I think to myself "what a wonderful world."

### ***Hallelujah***

words and music by Leonard Cohen

1. Now I've heard there was a secret chord  
That David played, and it pleased the Lord  
But you don't really care for music, do you?  
It goes like this: The fourth, the fifth  
The minor fall, the major lift  
The baffled king composing Hallelujah  
Hallelujah , Hallelujah Hallelujah , Hallelujah

2. Your faith was strong but you needed proof  
You saw her bathing on the roof  
Her beauty and the moonlight overthrew you  
She tied you to a kitchen chair  
She broke your throne, and she cut your hair  
And from your lips she drew the Hallelujah  
Hallelujah, Hallelujah Hallelujah, Hallelujah

3. You say I took the name in vain  
I don't even know the name  
But if I did, well really, what's it to you?  
There's a blaze of light in every word  
It doesn't matter which you heard  
The holy or the broken Hallelujah  
Hallelujah, Hallelujah Hallelujah, Hallelujah

4. I did my best, it wasn't much  
I couldn't feel, so I tried to touch  
I've told the truth, I didn't come to fool you  
And even though it all went wrong  
I'll stand before the Lord of Song  
With nothing on my tongue but Hallelujah  
Hallelujah, Hallelujah Hallelujah, Hallelujah

### ***Enter, Rejoice, and Come In #361***

words and music by Louise Ruspini

1 Enter, rejoice, and come in. Enter, rejoice, and come in. Today will be a joyful day; enter, rejoice, and come in.

2 Open your ears to the song. Open your ears to the song. Today will be a joyful day; enter, rejoice, and come in.

3 Open your hearts ev'ryone. Open your hearts ev'ryone. Today will be a joyful day; enter, rejoice, and come in.

4 Don't be afraid of some change. Don't be afraid of some change. Today will be a joyful day; enter, rejoice, and come in.

5 Enter, rejoice, and come in. Enter, rejoice, and come in. Today will be a joyful day; enter, rejoice, and come in.

Reading: #532 The Music of the Spheres

The music of the spheres.

\_\_A harmonious universe--like a harp.

Its rhythms are the equal, repeated seasons.

The beating of the heart.

\_\_Day/night. The going and returning of migratory birds.

The cycles of stars and corn.

\_\_The mimosa that unfolds by day and folds up again by night.

Rhythms of moon and tide. One single rhythm in planets,  
atoms, sea,

\_\_And apples that ripen and fall,

\_\_and in the mind of Newton.

Melody, accord, arpeggios

The harp of the universe.

Unity behind apparent multiplicity.

\_\_That is the music.

Ernesto Cardenal
